LETTER OF APPRECIATION

The Principal, educators and SGB on behalf of the Parents wish to extend their gratitude to you and your company for the wonderful, educative and exciting programme provided from January to May at our school.

Your team of facilitators and ambassadors; **Mr Sphelele Sibisi** and **Miss Sithule Biyela** have delivered their lessons to our grade 7 learners in an exciting and enjoyable way. We, as educators, have learnt a lot from them and our learners enjoyed every minute of each lesson.

The 16 hours "**ON THE BALL**" **Life Skills Course**, which covers more that **Learning Outcome 4** of our Life Orientation Learning Programme:

- | | |
|-------------------------------------|------------------------------------|
| * Goal Setting | * Self Control and Peer Pressure |
| * Gender Equality & Human Rights | * Resisting drugs, alcohol & abuse |
| * HIV/AIDS Awareness | * Sources of Community Support |
| * "ABC" & HIV Counselling & Testing | * Career planning & Study skills |

was an eye-opener to us all and we like to call it "**CHARACTER BUILDING**" and it was empowering.

We are glad that our learners, in particular, will become responsible citizens of the world. This programme was very enriching hence we are going to embark on an ongoing programme with our parents. Most of them are young adults and we feel that it is important to share the programme with them as well.

Once again , **thank you** for this wonderful programme. Keep the lamp burning that is shining so brightly .

**AFRICA NEEDS YOU.
GOD BLESS YOU !!!**

Yours faithfully

**Mr P.R. Mdlalose
